Experience

VML

Senior Frontend Developer
January 2024 - Present (8 months)
Bandung, West Java, Indonesia

At VML, we are a beacon of innovation and growth in an ever-evolving world. Our heritage is built upon over 300 years combined experience and expertise, where creativity meets technology, and diverse perspectives ignite inspiration. With the merger of VMLY&R and Wunderman Thompson, we have forged a new path as a growth partner that is equal parts creative agency, consultancy, and technology powerhouse.

Our expertise spans the entire customer journey, offering deep insights in communications, commerce, consultancy, CRM, CX, data, production, technology and more. We deliver end-to-end solutions that result in revolutionary work.

Our global family now encompasses more than 30,000 employees across 150+ offices in 60-plus markets, each contributing to a culture that values connection, belonging, and the power of differences.
